## Confused about transition planning?

Did you know that having an Individualized Education Program while in high school is not the same as having an IEP diploma?

- There are some key issues that may affect a student's ability to be successful in college.

**Need help sorting out the information?**

**Let us help you...**

## You should attend if:

- You are a high school student with a disability and are considering college.
- You are the parent or guardian of a high school student with a disability who may want to attend college.
- You are a professional who works with students making the transition from high school to college.

## Tentative agenda

4:00-4:45 Visit college and agency tables

4:50-5:25 College students with disabilities
